## EXPERIENCE

### **FORTNA, Atlanta, GA — Software Architect**

November 2023 - August 2024

- Implemented inbound receiving solution for warehouse systems.
- Presented proposals to ARB for new offerings and process improvement.
- Designed multi-tenant messaging solution using Java 17 and NATS.io.
- Responsible for managing deployments with Openshift Kubernetes.

### **Accenture, Atlanta, GA — Full Stack Engineering Manager**

January 2022 - November 2023

- Managed teams of up to 24 engineers and people manager to 5.
- Implemented mainframe transformation with Java/Spring/Postgres stack on Openshift Kubernetes.
- Designed architecture in Node.js/React with Webpack module federation.
- Involved in both the sales and delivery phase of products and offerings.

### **Career Break**

June 2021 - December 2021

- Worked to develop skills for management transition.
- Worked on a personal entrepreneur venture called Degrees of Freedom.

### **NAVEX Global, Lake Oswego, OR — Senior Software Engineer**

April 2020 - May 2021

- Work with C#/Node.js/React on Customer Manager microservice on AWS.
- Created service catalog and interaction patterns with Backstage.io.

### **NWEA, Portland, OR — Senior Software Engineer**

February 2018 - January 2020

- Microservice transformation of legacy app using Java/Spring/Node.js and MongoDB.
- Introduced Reactive Core, resulting in a 20x performance increase.
- Increased runtime performance by 99.4%, from 5 second average response times to under 30ms.

### **CONTRACT/STARTUP EXPERIENCE**

**Beaverton Toyota** (May 2017–February 2018)

**Insight Global – Sr Software Engineer** (November 2016–February 2017)

**Randstad – Sr Software Engineer** (January 2016–October 2016)

**DISYS – Mobile Application Developer** (January 2015–September 2015)

## SKILLS

Java/C#/NodeJS/React

Spring Boot

Management (2 years)

PostgreSQL/MySQL

MongoDB

AWS

Docker/Kubernetes

Openshift

ActiveMQ/RabbitMQ/NATS.io

Software Architecture

Microservices

## CERTIFICATIONS

AWS Certified Developer – Associate

Accenture Certified Technical Architect

## PUBLICATIONS (Amazon.com)

Things I Wish I Knew As A Recent Graduate of Computer Science

## COURSES (Udemy)

Spring Boot Tricks

## EDUCATION

Portland State University  
B.S. – Computer Science
